

The Rainbow

November, 2021

The Rt. Rev. W. Michie “Mike” Klusmeyer, Bishop of West Virginia, visited Christ Church on Sunday, October 24, to commemorate the 100th birthday of our beautiful building. The church was filled nearly to socially distanced capacity for this very special occasion, with 70 in attendance. Participating in the service were a couple of Christ Church friends: the Rev. Russ Hatfield, Rector Emeritus of the Tazewell Cluster, who served as a co-celebrant; and the Rev. Paul Barker, Deacon at St. Paul’s Church in Mt. Lebanon, Pa., who served as deacon.

In his sermon, Bishop Klusmeyer asked the congregation to be a witness to the community, urging everyone to “get out of this building, get out on the streets, and proclaim the love of Jesus Christ.”

Though he spoke of the five types of prayer (adoration, thanksgiving, confession, intercession and petition), he said we must spend more time on adoration, praising God.

In addition to commemorating our 100th Anniversary, Christ Church had several other reasons to celebrate. Patricia Taylor, Benjamin Slater, and Emma Slater were confirmed in the service, and two-year-old Payne Nolan Mowery was

baptized. Ben and Emma Slater are the son and daughter of Father Chad and Jennifer Slater. Payne is the son of Jenna and Nathan Mowery of Winston-Salem, N.C., and the grandson of Peter and Patricia Taylor. Payne’s godparents, in attendance at the service, are his cousins Halen and Zane Anthony Perkins, children of Ashby Perkins of Wytheville, Va.

In addition to the three confirmations and the baptism, the church dedicated an altar bell, given by organist and choirmaster Terry Whittington in memory of his brother, William Gordan Whittington.

The church also debuted a renovated altar space, which includes gilding and paint to evoke the architect’s original design intent. The work was commissioned by the Christ Church Memorial Fund and done by local artist Beth Moore. If you would like to contribute to the overall cost of this handsome work, please send your donation to the church marked “Memorial Fund.”

Welcome Lilly Mae!

For the Care of Children

Almighty God, heavenly Father, you have blessed us with the joy and care of children: Give us calm strength and patient wisdom as we bring them up, that we may teach them to love whatever is just and true and good, following the example of our Savior Jesus Christ. Amen.

Letter from the Rector

by Fr. Chad

As you know, I love word studies. I love them because I feel that we can learn so much more about what the authors of Scripture are trying to tell us by delving into their language, culture, and history. It may also be because I'm a nerd. Since the month of November brings us Thanksgiving, I thought I'd share a favorite word study of mine.

Countless times throughout Scripture the word “thanks” is used. While certainly used throughout the Old Testament, particularly in the Psalms, it is even more prevalent in the New Testament. “Give thanks in everything,” Paul exhorts several times in his letters. “Give thanks to His Name,” the writer of Hebrews declares. “We give thanks to God for you,” Paul states in First Thessalonians 5:18 “Give thanks in all circumstances; for this is the will of God in Christ Jesus for you.” Paul, again in First Thessalonians (a really thank-filled letter), “Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God for you in Christ Jesus.” A careful reader of Scripture would be led to believe there is an obsession with thankfulness in the Bible—and they'd be right.

But did you know the word “thanks” used throughout the New Testament is the Greek word “eucharisteo” – which is where we get our word “Eucharist?” Christ Himself uses this word repeatedly in the institution of the Lord's Supper. Literally every service of Holy Communion is a Thanksgiving Meal. Just like at Thanksgiving. We gather with friends and family and share a meal. Only at the Holy Eucharist, we feast around a table meant to fill our souls and not our bellies—one laden with the Bread of Angels and not turkey and stuffing.

When you come to the Lord's Table, do so with a thankful heart. You won't find turkey, but you will find grace. Amen.

Vestry Minutes

The presence of a quorum was declared and the meeting was opened by Father Slater, with a reading from Acts and the Collect for St. James.

Treasurer's Report: The balance sheet and income statement for September were reviewed. Due to missing the September meeting, August financials were not reviewed. A question was raised concerning the utility payments, reflecting no payment of an electric bill, but payment of a gas bill. Our gas service was terminated months ago, due to conversion to a totally electric HVAC. After discussion, it was agreed to defer approval of the report until next month and clarification. It was also discussed that we should have a statement from the treasurer concerning any unpaid/outstanding bills of the church. In years past, sometimes we have experienced inaccurate financial statements resulting from deferral of bill payment. Reverend Slater suggested that once or twice a month, it would be a good idea to meet with the church secretary to review account balances and spending.

Senior Warden's Report: Lambert's Excavating has removed the concrete between the curb and east wall of the church, along the driveway. Mr. Lambert expressed concern that based on what he observed, the planned work may not correct or improve the moisture problems in the office hallway and nursery. David Kersey and Peter Richardson inspected the work and surrounding circumstances and recommend that we ask Lambert's to price modifying the planned work to include a box drain in the alley at the top of the driveway, piped underground down the alley along the south wall and into Tazewell Street, to include a foundation drain in the ditch along the east wall and to raise the curb in certain places to help divert surface water away from the church. The vestry authorized the request for pricing the modification.

It was discussed that somewhere along the way, we have omitted approval of Vestry Minutes at each meeting. It was agreed that minutes from each meeting in 2021 will be emailed to vestry members and that the minutes will be opened for discussion and approval at the November meeting.

Junior Warden's Report: The church sign on Duhring Street has been repainted and reinstalled and looks great. Father Slater has written a thank you note to the anonymous donor who underwrote that project. The roof over the organ loft has been replaced with an EPDM membrane roof. Once we are certain that the leak issue has been corrected, we will explore fixing the water stains on the ceiling tiles in the coffee area hallway. The new HVAC project is near completion. We have HEPA/ultraviolet light air filters in the nave. They currently are operated with extension cords.

The vestry granted Peter Richardson authority to seek quotes on installing new receptacles in the nave to power those units. With the help of Peter Richardson, David Kersey has installed hand railings for the steps leading up to the chancel.

Committee reports:

Finance-The request for the St. Lucy distribution for the third quarter was discussed. Since we missed the September meeting, the vote to request the permitted withdrawal was accomplished by email at the end of the month. Upon motion of Peter Richardson and second of Alyson Bowling, the Vestry unanimously ratified that vote and the quarterly distribution.

Outreach-Peter Taylor advised that 50 bags have been prepared for October 21, Food Pantry. Kerosene vouchers will not be distributed until next month, temperatures having been moderate for this time of year. Art Meade and other members were acknowledged for the Union Mission Dinner ministry.

Rector's Report: Father Slater conducted a funeral service for a lady who grew up in Bluefield. A Bishop Coadjuter was elected at the virtual convention, after only 3 ballots. Matthew Cowden, a parish priest from South Bend, Indiana was selected.

Bishop Klusmeyer will be in town this Sunday, October 24 to help celebrate the 100th anniversary of dedication of our current church building. There will be one baptism and four confirmations at the service. The vestry will meet with the Bishop after the service. Due to Covid-19 concerns, there will not be an indoor reception, but a table will be set up outside the handicap access doors for grab and carry cookie bags and to provide an opportunity for members to visit with the Bishop.

Terry Whittington has donated an altar bell in memory of his brother. It will be hung on the wall in the sanctuary. Painted accents have been added in the sanctuary on the "This Do In Remembrance of Me" lettering behind the altar.

There may be an All Hallow's eve service on October 31.

There being no new or old business to discuss, the meeting was adjourned with prayer by Father Slater.

Pet Blessing 2021

by Linda Ammar

For nine years, furry friends and critters of all sorts have been gathering at Christ Church with their human friends who want their pets blessed. This year was no exception as Father Chad presided over the blessing of animals on Sunday, October 10, a day filled with sunshine, wagging tails and meows, as well as other methods of four-legged communication! Afterwards, God's creatures and their owners enjoyed treats and refreshments.

Confirmations at Immanuel Lutheran

This year's Youth Confirmation Class was a joint program between Christ Church and Immanuel Lutheran. Benjamin Slater and Emma Slater from Christ Church and Mara McPherson and Sammy Kinser from Immanuel studied together in this unique class.

Fr. Chad officiated at a special Reformation Sunday liturgy at Immanuel on October 31st. Mara and Sammy were Confirmed by Fr. Chad at this service (unlike in the Episcopal Church, Lutherans are Confirmed by local clergy instead of a Bishop).

Each set of students traded off serving as acolytes in each other's Confirmation services. All should be proud of our young people's accomplishment and dedication!
